- Be sure to take all of your photos in widescreen (landscape). Hold your phone or camera horizontally and back up until the entire vehicle fits within the screen. Detailed photos are also encouraged.
- For those using a smartphone, don't use digital zoom (pinch-to-zoom) and be sure to use natural lighting (no flash)

Note: Scanned photos will not be accepted.

These are just a few tips in helping you achieve that perfect photo and to help gain the most exposure.
